NEWSLETTER

Welcome Aboard the Canadian Safety Train Express!
We are thrilled to bring you the latest updates and insights on the Canadian Safety Train Express. As we journey together, safety remains our top priority. Here's what's new:

What have we been up to?

October Highlights:

- Went to Chilliwak, BC for their Train and Hobby Show. This was our first reach into BC and it was very successful.
- Hosted a grade 7 class on board the train for a rail safety presentation.

🚙 Safe Driving Tips for Winter Roads

Snow, ice, and low visibility make winter driving risky - especially near railway crossings. Stay alert and plan ahead!

Top Tips for Safe Winter Driving:

- **Slow down -** Icy roads mean longer stopping distances.
- **Look, listen, and live -** Always check for trains, even if lights aren't flashing.
- **Clear your view -** Keep windows, mirrors, and headlights clean.
- **Stay focused -** No phones or distractions behind the wheel.
- **Be prepared -** Winter tires, full washer fluid, and an emergency kit.

Trains can't stop quickly, but you can. Stay safe this winter!
