NEWSLETTER

Welcome Aboard the Canadian Safety Train Express!
We are thrilled to bring you the latest updates and insights on the Canadian Safety Train Express. As we journey together, safety remains our top priority. Here's what's new:

2025 Highights

- Attended 23 community events across 4 provinces (Manitoba, Saskatchewan, Alberta and British Columbia).
- Distributed over 13,500 Rail Safety Activity Books.
- Gained several new sponsorships and partnerships.
- We jointed the Saskatchewan Trucking Association in April as a guest on their podcast.
- We launched billboards in several cities throughout Western Canada. We also worked with the Province of Saskatchewan to display rail safety messages on their variable messaging boards throughout Saskatchewan during Rail Safety Week.
- ·Launched an SGI community program in which we distributed 500 pairs of branded work gloves to professional drivers.
- In partnership with the Saskatchewan Ministry of Highways and Athena Industrial, a new autonomous crossing monitoring system was installed at Highway 41 near Wakaw, SK, on the Wheatland Rail to address repeated near-misses and improve safety at this passive rail crossing.

Key Takeaways

- Overall incidents declined from 258 in 2024 to 253 in 2025, with reductions in both crossing and trespassing incidents.
- Fatalities decreased by 8.75%.
- Saskatchewan saw a 33% decrease in incidents in 2025 compared to 2024 and was the only province to have 4 incident free months.
